

### Specifications

Sideboard, available with drawer modules or storage units, designed to complement the RAY Executive Desk. The external structure is composed of wood veneer with beveled corners, while the top features leather inlays. All elements operate with a push-to-open mechanism, featuring discreet invisible hinges for swing doors and smooth, high-quality guides for drawers. The storage compartments are shown with adjustable shelves, with matt-lacquered interiors.

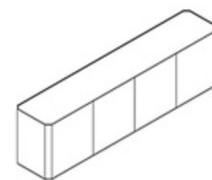

The base skirting is in liquid-painted stainless steel. Additional options include embedded metal handles, lock systems, and leather pads for drawer bottoms.
