

Specifications

Tall cabinet with glass doors or leather-upholstered doors, designed to complement the AIR Executive Desk. The external structure is composed of wood veneer with rounded corners, while the interior is finished in matt lacquer and shown with adjustable shelves.

In the glass version, transparent, bronze-tinted, or silver-tinted swing doors with slim aluminum profiles are complemented by a cushioned system ensuring perfect closure. The leather version is fitted with metal handles, while the front is upholstered in leather and the back panel finished in wood veneer.

The base skirting is in liquid-painted stainless steel. Additional options include an integrated lighting system with dimmer.

Custom dimensions and finishes available upon request.

Finishes (as shown)

Planked Oak veneer

Latte leather

Champagne metal
